Every child loves PRESENTS.

We love making children happy. But, what brings them joy?
Create a **Christmas PRESENCE List** to find out!

GETTING STARTED
Grab some paper, along with your favorite writing
instrument, people and Christmas-time treat.

START WITH YOU | ADD YOUR NAME
What is something a loved one could give, do or say that
would mean a lot, but instead of much (or any) money it
costs time and attention. Write down as many as you want.

WHO DO YOU LOVE | ADD THEIR NAME(S)
Figure out what makes them light up: an experience
together, an act of service, cuddling, a thoughtful gift or a
word of encouragement. Find a way to gift wrap it!

WHO NEEDS LOVE | ADD THEIR NAME(S)
Use the money saved on buying superfluous gifts to meet a
need for someone in your community or around the world.
Decide as a family and make it happen... together!
